Commissioner of Patents

The amendment filed on 3/17/03 is non-responsive because applicant has apparently overlooked the various indefiniteness rejections set forth on page 3 of the office action (since there are no amendments or remarks concerning these 112, second paragraph issues raised by the examiner).

Applicant is hereby given thirty (30) days to file a supplemental response in order to correct the above-noted problem. This response period may not be extended.
